Health

The work of health supervision and medical examination of the school children has been continued under Dr. T. H.

Huckins, and Mrs. Lurline H. McCook, school nurse. The report of the school nurse for the year ending December 31, 1933, follows:

Visits to schools,	259
Visits to homes,	25
Treatments,	17
Exclusions,	177
Hours spent in school work,	94
Inspected,	65
Examined by physician,	962
Time spent with school physician,	27¾

At this time I would like to express my appreciation of the assistance and cooperation of the entire school staff.

LURLINE H. MCCOOK, R. N.

The severe epidemic of measles which broke out in the community late in November made it advisable to close the schools early in December, two weeks before the planned closing for the Christmas holidays. Schools will close for the summer vacation on June 22, one week later than originally planned.

Finances

Your attention is called to the financial report of the school board. The first report covers the full year ending June 30, 1933, and is in detail; the second report covers the period from July 1, 1933 to January 31, 1934, a preliminary statement for this current fiscal year. The per pupil cost of our elementary schools for the year ending June 30 last was \$61.62. The state median for that year was \$75.89. The per pupil cost of our elementary schools for this current year will probably be a little over \$50.00.

The last school meeting made a reduction of \$6,450.00 in the school budget as prepared and presented by the school

board. Of this amount \$4,585.00 was for the support of elementary schools and \$1,830.00 for the payment of statutory obligations. There will be a deficit this current year and the school board is asking for a special appropriation of \$2,000.00 to meet the same. This deficit is due to the cost of high school tuition. Fourteen thousand dollars was appropriated for this purpose. The cost this year will be some over \$16,000.00.

The following table shows the probable expenditures this current year, and also the estimated necessary expenditures for next year as stated in the school board's budget:

	Est. Exp. Current Year	Proposed Budget 1934-35
Elementary Schools:		
Teachers,	\$15,188.00	\$15,188.00

Improvements

I would again suggest certain needed improvements in the school buildings. The Sanborn Road and Lochmere buildings should have electric lights. The Eastman building is very much in need of paint and the fence around this property should be immediately replaced. There is need of a new fence at No. Four.

Supervisory Union

A reduction in the number of school superintendents became effective July 1, 1933. This necessitated the reorganization and enlargement of many of the supervisory unions. Gilmanton was added to the Tilton-Northfield union. This union now comprises Tilton-Northfield, Belmont, Gilford and Gilmanton.

Annual Meeting

The annual school meeting will be held Friday evening, March 23, at 7:30, in the Tilton Town Hall. The term of Mrs. Winnifred F. Walker, as member of the school board, will expire at that time. It will also be necessary to choose a member of the school board to complete the unexpired term of the late Hiram R. Blanchard. Mr. Robert B. Chalmers was appointed by the school board to fill this

vacancy until the annual meeting.

Again I wish to thank the members of the school board and the teachers for their assistance and cooperation.

Respectfully submitted,

CHANNING T. SANBORN,

Superintendent of Schools.

February 19, 1934.
